

Taqi Raza

Aspiring Data Analyst | Power BI | Insights and Reporting

Summary

Detail oriented Economics graduate with hands on experience building dashboards, developing automated reports, and translating complex datasets into clear insights for technical and non-technical stakeholders. Skilled in Power BI, Excel, data cleaning, and process improvement, with a track record of improving reporting accuracy, streamlining workflows, and supporting operational decision making. Known for being curious, collaborative, and proactive in identifying opportunities to enhance data quality and reporting efficiency

WORK EXPERIENCE

Integrity Safety Case Intern

Enbridge Gas, North York | Sep 2022 - Aug 2023

- Developed and maintained Power BI dashboards that improved visibility of pipeline safety findings, increasing stakeholder response time and improving team productivity by 20%.
- Audited and corrected 100+ contract documents and pipeline data entries, reducing regulatory discrepancies by 15%.
- Implemented a SharePoint-based workflow to centralize safety documentation, cutting report retrieval time by 30%.
- Collaborated cross-functionally with regulatory, engineering, and safety departments to align reporting with compliance standards.

Engineering Intern

Star Navigations Systems Ltd, Brampton | May 2022 - Aug 2022

- Analyzed and cleaned large datasets for over 1,000 aerospace components, contributing to a 25% improvement in supply chain tracking accuracy.
- Streamlined purchase order tracking in internal ERP software, enhancing procurement efficiency and reducing delays.
- Conducted quality assurance checks on engineering drawings, minimizing compliance errors by 10%.
- Delivered operational data insights that informed quarterly resource planning initiatives.

Technical Training Intern

Qatar Airways, Qatar | May 2021 - Aug 2021

- Designed Power BI dashboards to track KPIs for crew training, enabling leadership to identify underperforming areas and reallocate resources efficiently.
- Analyzed training completion trends in Excel, increasing attendance rates by 12% through data-backed scheduling changes.
- Supported training demand forecasting using historical data, contributing to a 15% improvement in resource utilization.
- Played a key role in internal audit preparation by validating over 5,000 records with 100% accuracy.

ADDITIONAL EXPERIENCE

First Year Connections Mentor, Carleton University | Aug 2020 – Nov 2020

Sales Associate, Cellular X | May 2020 – Mar 2021

Cashier, Wholesale Club | July 2025 – Present
